

# Always The Last To Know

Del Amitri

So you're in love with someone else  
Someone who burns within your soul  
And it looks like I am the last to know  
I hear you've never felt so alive  
So much desire beyond control  
And as usual I am the last to know  
The last to know  
How you're feeling  
The last to know  
Where you are  
The last to know  
If you're happy now  
Or if he's treating you, like I treated you  
Or if he's cruel  
I'll be the last to know  
We spent summers up beyond the bay  
And you said these are such perfect days  
That if the bomb drops baby  
I want to be the last to know  
But now you're living up behind the hill  
And though we share the same city and feel the same sun  
When your winter comes  
I'll be the last to know  
Always the last to know  
How you're feeling  
The last to know  
Where you are  
The last to know  
If you're happy now  
Or if he's pleading with you, like I pleaded with you  
If you go, don't let me be the last to know  
Don't let me be the last to know  
Creations gone crazy  
The TV's gone mad  
Now you're the only sane thing that I  
have  
Always the last to know  
How you're feeling  
The last to know  
Where you are  
The last to know  
If you're happy now  
Or if he's cheating on you, like I cheated on you  
Oh, oh, oh  
You were the last to know  
You were the last to know  
Don't let me be the last to know
