Tears

Pure Prairie League

Tears roll down my face

Smiles can't take their place

Living down hanging around try to understand

All you gotta do us hold my hand
You don't understand

Try to see the plan

Cause if you start to falling

To the things you did before

You ain't gonna see me anymore

And it's high time

You got something going

Everything you did till now is wrong

Look like my time

I'd should be a knowing

I should find out before too long

SOLO

And it's high time

You got something going

Everything you did till now was wrong

Look like my time

I'd should be a knowing

I should find out before too long
