

Like A Sad Song

John Denver

Usually in the morning I'm filled with sweet belonging
And everything is beautiful to see
Even when it's raining, the sound of heaven singing
Is simply joyful music to meSometimes I feel like a sad song
Like I'm all alone without youSo many different places, a million smiling faces
Life is so incredible to me
Especially to be near you and how it is to touch you
Oh paradise was made for you and meI know that life goes on just perfectly
And everything is just the way that it should be
Still there are times when my heart feels like breaking
Anywhere is where I'd rather beOh and in the night time I know that it's the right time
To hold you close and say I love you so
To have someone to share with
And someone I can care with
And that is why I wanted you to knowSometimes I feel like a sad song
Like I'm all alone without you, without youSometimes I feel like a sad song
Like I'm all alone without you, without you
