Crybaby

OST CryBaby

Yo what's happenin'?
What you're cryin' for?
You know you look too damn good to be cryin'
Come here
How about a player
DPG style, you know, you know
When I think of our untimely end
And everything we could have been
I cry, baby I cry
Okay so it's 5 a.m and I still can't sleep
Took some medicine but it's not working
Someone's clinging to me and it's bittersweet
'Cause he's head over heels but it ain't that deep
I finally changed my number got a different pager
Then last Saturday your cousin called to say you're
Tryin' to reach me probably because you see that
I'm with someone new
Late at night like a little child
Wandering 'round alone
In my new friend's home
On my tippy toes
So that he won't know
I still cry baby over you and me
Sipping Bailey's Cream by the stereo
Trying to find relief on the radio
I'm suppressing the tears but they start to flow
'Cause the next song I hear is a song I wrote
When we first got together early that September
I can't bear to listen so I might as well drift
In the kitchen pour another glass or two
And I try to forget you
Late at night like a little child
Wandering 'round alone
In my new friend's home
On my tippy toes
So that he won't know
I still cry baby over you and me
Baby hear me when I say let that man be on his way
Don't even waste your time and worry how he handle thangz

Baby hear me when I say a playa feelin' good today
Don't even waste your time watch how I handle thangz
Man you's a fool for this
But on the real dog I'm cool with this we do and this
D O double G Y
Kiss the girls and make them cry
Late at night like a little child
Wandering around alone
In my new friend's home
On my tippy toes
So that he won't know
I still cry baby over you and me
Late at night like a little child
Wandering around alone
In my new friend's home
On my tippy toes
So that he won't know
I still cry baby over you and me
I don't get no sleep, I'm half awake
Can't stop thinking of you and me
And everything we used to be
It could have been so perfectly
I cry, I cry, I cry
Oh I gotta give me some sleep
And I cry, cry, cry, cry
On my tippy toes
So that he won't know
I still cry
You and I
Over you and me
Late at night like a little child
Wandering around alone
In my new friend's home
On my tippy toes
So that he won't know
I still cry baby over you and me
Late at night like a little child
Wandering around alone
In my new friend's home
On my tippy toes
So that he won't know
I still cry baby over you and me
On my tippy toes
So that he won't know
I still cry

Baby and I
