

# 23

## Blonde Redhead

23 seconds, all things we love will die  
23 magic, if you can change your life Your tainted heart, your tainted heart  
my tainted love, my tainted love  
repent now  
How many times ?  
As long as you live, how many times ?  
The world will go around He was a friend of mine  
he was a son of god  
he was a son of a gun He was a friend of mine  
he was a son of god  
he was a son of a gun 23 seconds, in you I see a chance  
23 magic, if you change the name of love Your crazy heart, your crazy heart  
my crazy love, my crazy love  
repent now How many times ? As long as you wish  
How many times ? The world will go around  
How many times ? As long as you want  
How many times ? The world will go around He was a friend of mine  
he was a son of a gun  
he was a son of god He was a friend of mine  
he was a son of a gun  
he was a son of god He was a friend of mine  
he was a son of a gun  
he was a son of god 23
