

Mountains Win

Blues Traveler

I pick up my smile put it in my pocket
Hold it for a while try not to have to drop it
Men are not to cry so how am I to stop it
Keep it all inside don't show how much she rocked ya Can you feel the same
You gotta love the pain
It looks like rain again
I feel it comin' in
The mountains win again
The mountains win again Dreams we dreamed at night were never meant to come to life
I can't understand the ease she pulled away her hand
This time in my life I was hurt enough to care
I guess from now on I'll be careful what I share Can you feel the same
Ya gotta love the pain
Yeah it looks like rain again
Yeah feel it comin' in yeah
The mountains win again A pocket is no place for a smile anyway
Someday I will find love again will blow my mind
Maybe it will be the love that got away from me
Is there a line to write that could make you cry tonight
Can you feel the same, yeah ya gotta love the pain Yeah it looks like rain again
Yeah feel it comin' in
The mountains win again
The mountains win again
