Good Vibrations

Young Prince

I love the colorful clothes she wears
And the way the sunlight plays upon her hair
I hear the sound of a gentle word
On the wind that lifts her perfume through the air
I'm pickin' up good vibrations
She's giving me excitations
I'm pickin' up good vibrations
She's giving me excitations
I'm pickin' up good vibrations
She's giving me excitations
I'm pickin' up good vibrations
She's giving me excitations
Close my eyes, she's somehow closer now
Softly smile, I know she must be kind
When I look her in her eyes
She goes with me to a blossom world

I'm pickin' up good vibrations
She's giving me excitations
I'm pickin' up good vibrations
She's giving me excitations
I'm pickin' up good vibrations
She's giving me excitations
I'm pickin' up good vibrations
She's giving me excitations
I'm pickin' up good vibrations
She's giving me excitations
I'm pickin' up good vibrations
She's giving me excitations
I'm pickin' up good vibrations
She's giving me excitations
I'm pickin' up good vibrations
She's giving me excitations
I'm pickin' up good vibrations
She's giving me excitations
