

Arrietty's Song

All That Jazz

I'm 14 years old, I am pretty
I'm a teen tiny girl, a little lady
I live under the kitchen floor
Right here, not so far from you.
Sometimes I feel happy
Sometimes I feel blue
In my dreams O I wish I could...Feel my hair blowing in the wind
See the sky and the summer rain
Pick a flower from the garden for you
Beyond the lane there's another world
Butterflies floating in the air
But is there someone out there for me?And so life goes on, day after day
With knick-knacks on the floor, nooks and crannies
I live in a tiny world
But out there, someone waits for me.
I wish I had someone to watch over me
In my dreams O I wish I could...Feel my hair blowing in the wind
See the sky and the summer rain
Pick a flower from the garden for you
Now I know there's another world
Butterflies floating in the air
There is someone out there for me.
