# Apologize

## Lukas Graham

Babe, you got me smiling
Forgetting all I've lost
My angel lost her halo
So I put her next to GodI called her my angel
Gave her all my time
And she was the kind of woman
Who could give me peace of mindBut now it's over
She betrayed me(How does the defended plead?)I'm not guilty
There's nothing I did wrong
What I did was all her fault
And I won't apologize
I won't apologize for what she made me do
I won't apologize to you
(Sit down, young man! Or I will hold you in contempt of this court)Babe, you got me smiling
Forgetting all I've lost
My angel lost her halo
So I put her next to GodI took her for a picnic
Asked her, is it true?
She said, yes, and I'm sorry
I never meant to hurt youShe began to worry
I said, I'm still in love
And you can't keep on living
If you don't think I'm enoughAnd now it's over
She betrayed me(How does the defended plead?)
I'm not guilty
There's nothing I did wrong
What I did was all her fault
And I won't apologize
I won't apologize for what she made me do
I won't apologize to you(I'm dismissing this case on the grounds of insubstantial evidence)Policeman got me smiling
He thinks I'll go to jail
But I got proper lawyers
So I told him, go to HellThe judge is asking questions
I don't know what to say
Only that she slept around
And that she deserved to payI won't apologize, I won't apologizeThere's nothing I did wrong
What I did was all her fault
And I won't apologize

I won't apologize for what she made me do
I won't apologize to you
