

# No Light, No Light

## Florence + The Machine

You are the hole in my head,  
You are the space in my bed.  
You are the silence in between,  
What I thought what I said.

You are you night time fear,  
You are the morning when its clear.  
When its over your the start,  
Your in my head, your my heart.

No light, No light in your bright blue eyes,  
I never knew day light could be so violent.  
A revelation in the light of day,  
You can choose what stays and what fades away.

And I'd do anything to make you stay, hey.  
No light, No light, No light,  
Tell me what you want me to say

Through the crowd I was, crying out  
And In you place there were a thousand other faces,  
I was disappearing in plain sight.  
Heaven help me I need to make it right.

You want a revelation,  
You want to get it right,  
But its a conversation,  
I just can't have tonight,  
You want a revelation,  
Some kind of resolution.  
You want a revelation.

No light, No light in your bright blue eyes,  
I never knew daylight could be so violent.  
A revelation in the light of day,  
You can choose what stays and what fades away.

And I'd do anything to make you stay, hey  
No light, No light, No light

Tell me what you want me to say

Would you leave me,  
If I'd told you what I've done.  
And would you need me,  
If I'd told you what I've become.  
Cause its so easy,  
To say it to a crowd.  
But its so hard my love,  
To say it to you out loud-

No light, No light in your bright blue eyes,  
I never knew daylight could be so violent.  
A revelation in the light of day,  
You can choose what stays and what fades away.

And I'd do anything to make you stay, hey  
No light, No light, No light  
Tell me what you want me to say

You want a revelation,  
You want to get it right,  
But its a conversation,  
I just can't have tonight,  
You want a revelation,  
Some kind of resolution.  
You want a revelation.

You want a revelation,  
You want to get it right,  
But its a conversation,  
I just can't have tonight,  
You want a revelation,  
Some kind of resolution.  
You want a revelation.  
Tell me what you want me to say.
