

# Just the One

## Levellers

Do you fancy a drink, just the one  
To clear your head, we won't be long  
It's a beautiful day to waste away  
There's plenty of time for another one You know you shouldn't do it  
But see no reason why  
So you blow your mind  
Yeah, yeah, uh-ha Make mine a short, getting there  
But where there is, I couldn't care  
There must be something I haven't tried  
Perhaps that bottle before my eyes You know you shouldn't do it  
But you see no reason why  
So you blow your mind  
Yeah, yeah, uh-ha I feel the haze, the sun goes down  
It's getting late, let's hit the town  
Call some friends to paint it red  
Feed the animal, in your head You know you shouldn't do it  
But you see no reason why  
So you blow your mind  
Yeah, yeah, uh-ha They throw you out, you hit the night  
You go to a club, you feel alright  
You get a pill, you take just half  
Then take the rest of it for a laugh You know you shouldn't do it  
But you see no reason why  
So you blow your mind  
Yeah, yeah, uh-ha The rest is blank and that's the worst  
An empty head for an empty purse  
You had a laugh, so you think  
But in the morning you just stink You know you shouldn't do it  
But you see no reason why  
So you blow your mind  
Yeah, yeah, uh-ha So you fancy a drink, just the one  
To clear your head, we won't be long
