

# It Happened Today

## The Skyliners

I knew someday you'd come my way  
It happened, it happened today I knew somehow that you would smile  
It happened, it happened today [CHORUS]  
I told everybody that I'd win your heart  
I prayed apart  
Today you said you're in love with me  
And I'm as happy as I can be I knew someday you'd come my way  
It happened, it happened today [Repeat CHORUS]  
I knew someday that I'd hear you say  
You love come what may  
And it happened, it happened today
