Artistic Butchery

Brutality

Carving into the body - Bound in shackles
Blood and guts are spilt - Face is mutilated
Organs consumed - Total overthrow
Control in my grasp - Deranged mentality
Ruler of sin - I leave no trace
Lanced corpse lies silent - Dried up and witheredStench lingers throughout infinity
As victims lie pierced on ceremonial slabDiseases spread unto the earth
Decaying holes releasing malodorous rancidityBones become visible as the body rots
Thoughts hang lifelessPiercing knife - Rips through flesh
Screaming howls - Fastened chains
Harnessed subjects - Sickened mind
Reveller of decayInflicting pain
Life is taken
Severely beaten
Humility reigns
Resist in apathyFeasting on the raw, bloody bones
Innocent victims slaughteredAs I carve inscription of doom
Remains unearthed in grim discoveryDemolished head - Cause of death
Bones lie twisted - Decomposition
Willing confessor - Mentally disturbed
In shallow pit - The dead are buried
Mourners weep - Not understanding
Reality executionerRising of the head - Half drenched in blood
Archaic sorcery - ResurrectedTransitions occur
Despite the will
Distorted memories
Stored in disk
bluish-green decay
Oozes from the veins
Exposed internal organsTalons clawing
Rancid life exists
Realm of darkness
Tortured souls prevail
