

Square Go (Live Version 2012)

Fish

I'm a soldier in the forever wars
No photos of a family in my wallet
Got no ID, no credit cards, I don't exist
I never have, I never have Raised in jungles I quickly learned to read the trees
Schooled in deserts I walk on shifting sands
Neutral shadows, unseen beneath a bed of leaves
I await the call, open frequency to the square go I want a square go, square go
Square go, square go My blood is ice, the temperatures rising
My soul a glacier, I move alone
A pilgrim's progress in a shadow world
I learned to sit in silence with my sounds I want a square go, I want a square go
Square go Tired of the loser I would be put down
I wanna punch back, fight back
I wanna slash, I wanna knife
I wanna just get back at this world One day I want a level playing field
I just wanna see the world
Fight the world on my terms
Wanted to fight back My blood is ice, the temperatures rising
My soul a glacier, I move alone, I move alone
Alone, alone
