

Gucci Bandanna

Soulja Boy

Soulja Boy Tell 'Em

Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna

It's Soulja Boy Tell 'Em, I roll with Shawty Lo

I got so much snow, Gucci head to toe

Chain on chill, watch on freeze

So much ice I got lookin' like Chinese

Gucci shades, but they still can't hide me

I hit the club eighteen with no ID

I changed up the format, welcome to my crib

Leave your shoes at the doormat

And ain't this beat tight?

My chains say hello, my watch say goodnight

And I still look right, this is the good life

This Gucci bandanna it just to make me look tight

Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna

Gucci bandanna, call me Gucci Montel

Gucci girl with me, Gucci bag, Gucci sandals

She too hot to handle, hot sex, burning candles

Gucci Mane, a player, Gucci shopping this extravagant

Gucci Mane drive a drop top red Phantom

And my bed got them super size Gucci spreads

Pull up to the hood, stop and let them jock Gucci

Broads jock Gucci 'cause Gucci just Gucci

Yeah, my boxer briefs, equipped with double G's

Gucci key chain, holding on my Gucci keys

Gucci down all the time in the summer time
I'm Gucci Mane, you would think that was my clothing line
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna
Shawty Lo, I really want a Lanna
Scarf 'round on my neck, Gucci bandanna
Haters talking slick, they filled with anger
But I don't care so goddamn 'em
This big ol' watch costs more than yours
I built a house you can't afford
It's stupid big, got an ocean view
It's way up there, I look down on you
We flexed down here, that's what we do
Get in my way, I flex on you
Acting monkey, we keep bananas
Keep them goons with me, Gucci bandanna
Scarf 'round my neck, Gucci bandanna
Ey, Gucci bandanna, Gucci, Gucci bandanna, ey
But I don't care so goddamn 'em
Ey, Gucci bandanna, Gucci, Gucci bandanna, ey
I built a house you can't afford
Ey, Gucci bandanna, Gucci, Gucci bandanna
It's way up there, I look down on you
Ey, Gucci bandanna, Gucci, Gucci bandanna
