Shi No Barado

Area 11

(feat. Beckii Cruel)

I saw your face in the LED's
My revenge was you're gift to me,
It's something that I can never repay,
But I will try anyway.

I sent a message I know you'd see,
A promise written on a TV screen
Now fate lead you down a path to me
And I'm beggin' you,
On my knees.

Cause baby when our eyes met,
(cause baby when our eyes met,)
I could never look away,
You're all I ever wanted,
There's nothing left to say

Cause baby you can use me,
(cause baby you can use me,)
I will do what you want me to.
And baby you can kill me,
(baby you can kill me)
When I'm no use,
When I'm no use to you,

My body will be a fortress,
I will keep you safe from pain,
My eyes will be your weapons,
My loses are your gains,

Whoa,
Together we can burn this to the ground,
Rebuild it into something right,
Cause you are bigger then the planet earth,
And I am your satellite,

Cause baby when our eyes met,
(Cause baby when our eyes met)

I could never look away,
You're all I ever wanted,
(You're all I ever wanted,)
There's nothing left to say

Cause baby you can use me,
(Cause baby you can use me,)
I will do what you want me to,
Cause baby you can kill me,
(Cause baby you can kill me,)
When I'm no use to you

I'm not afraid and I'm not alone,
Because your with me in my dreams,
(you're with me tonight)
I won't give up on this perfect love,
Even when my memories fail me,
(when my memories fail me)

Cause I see you through burning eyes,
I write your name down in my heart
Oh baby I'm just using you,
Oh love you know I want you to,
Look into the skies

Cause baby when our eyes met,
(cause baby when our eyes met,)
I could never look away,
You're all I ever wanted,
(you're all I ever wanted,)
There's nothing left to say,

Cause baby you can use me
(Cause baby you can use me)
I will do what you want me to
Cause baby you can kill me,
(Baby you can kill me)
When I'm no use,
When I'm no,

Cause baby when our eyes met
(Cause baby when our eyes met)
I could never look away
Cause your all I ever wanted
(Your all I ever wanted)

There is nothing left to say

Cause baby you can use me,
(Cause baby you can use me,)
I will do what you want me to,
And baby you can kill me,
(Baby you can kill me,)
When I'm no use to you,

Baby when our eyes met
You're all I ever wanted
