Broken Parts

MÃ¥ns ZelmerlÃ¶w

Given all the lies I've told you
Given all the fires I've left to burn
I guess I've learned

Maybe we've been bruised and battered
Maybe I forgot what mattered then
But not again
I might have shown, too many faces
Out with the old, here's where it changes

[Chorus]
Here's to a brand new start
I won't be waiting for nothing
I mend the broken parts
Pick up the pieces, shadows of what we are
I won't be waiting for nothing
I mend the broken parts

Always been the one in focus
Always at the center of the stage
My mistake
The turn of the tide, don't let me wasted
It happens tonight, here's where it changes

[Chorus]
Here's to a brand new start
I won't be waiting for nothing
I mend the broken parts
Pick up the pieces, shadows of what we are
I won't be waiting for nothing
I mend the broken parts
I mend the broken parts

I'll bring us back, stronger than before
I'll bring us back, give you more and more
I'll bring us back, till our lifes are fold
I'll bring us back !!!!

[Chorus]
Here's to a brand new start

I won't be waiting for nothing
I mend the broken parts
Pick up the pieces, shadows of what we are
I won't be waiting for nothing
I mend the broken parts
I mend the broken parts

Given all the lies I've told you
Given all the fires I've left to burn.
