

# I Won't See You Tonight Part 2

## Avenged Sevenfold

Come back to me, this is unconceivable  
Breaking apart the ones you love  
Hate runs deep for what you've done to us  
Left alone through suicide, suicideI just want to die, take away my life  
Lay by your sideCome back to me, this is unconceivable  
Breaking apart the ones you love  
Hate runs deep for what you've done to us  
Left alone through suicideLook at my face, you pierce with a blank stare  
No dream could prepare a heart for a lifeless friend  
He's gone, nothing will take back time  
I need him back, but nothing will take back timeI can see just fine with you in my life  
And there by my side as it starts to fade  
I know this can't be right, stuck in a dream  
A nightmare full of sorrowNightmare full of pain  
Nightmare full of painI look back and see the twisted road  
Best friends and despair took its tollTake away  
Take away  
Take away  
Take awaySorrow sank deep inside my blood  
All the ones around me, I cared for  
And most of all I loved, but I can't see myself that way  
Please don't forget me or cry while I'm awayLook at my face, you pierce with a blank stare  
No dream could prepare a heart for a lifeless friend  
He's gone, nothing will take back time  
I need him back, but nothing will take back timeI can see just fine with you in my life  
And there by my side as it starts to fade  
I know this can't be right, stuck in a dream  
A nightmare full of sorrowI can see just fine with you in my life  
And there by my side as it starts to fade  
I know this can't be right, stuck in a dream  
A nightmare full of sorrow
