

# Open Up Your Door

Richard Hawley

Open up your door  
I can't see your face no more  
Love is so hard to find  
And even harder to define Oh, open up your door  
Cos we've time to give  
And I'm feeling it so much more  
Open up the door  
Open up your door Open up the door  
I can't hear your voice no more  
I just want to make you smile  
Maybe stay with you awhile Oh, open up your door  
Cos we've time to give  
And my feelings aren't so obscure  
Open up the door  
Open up your door So open up the door  
Cos we've time to give  
And I'm feeling it so much more  
Open up your door  
Oh, open up your door Love is so hard to find  
And even harder to define Oh, open up your door  
And I've never been so sure  
Oh, open up your door  
Open up your door
