

Butterfly

Ass Ponys

Hey man you wanna be the pilot
Of a kamikaze aeroplane
Instead I bet you're gonna add it to
A list of things you never tried You're a fifth wheel, a fourth class
Third string second rate kind of guy
And sometimes you feel like
A pot lick limp dick butterfly Hey man you wanna jump a canyon
On a rocket powered motor bike
Instead I bet you're gonna add it
To a list of things you never tried 'coz you're a fifth wheel, a fourth class
Third string second rate kind of guy
And sometimes you feel like
A pot lick limp dick butterfly Sometimes you feel like
A pot lick limp dick butterfly
Sometimes you feel like
A pot lick limp dick butterfly Hey man you wanna be the pilot
Of a kamikaze aeroplane
Instead I bet you're gonna add it to
A list of things you never tried You're a fifth wheel, a fourth class
Third string second rate kind of guy
And sometimes you feel like
A pot lick limp dick butterfly Gimme gimme some love
Sometimes you feel like
A pot lick limp dick butterfly
Sometimes I feel like
A pot lick limp dick butterfly
