The Way Back To Ourselves

Phrenia

Today was the day I left all of my fears behind,
Crushed everything I used to feel inside.
(Feel inside)
With tears in my eyes, and hope in my heart,
Walking home, searching for the way back to my heart.

I tried to run away,
Run away and never look back,
I'm still not strong enough.
I tried to fly away,
Fly away, as far as I can,
But they're still behind my back.

Time is the worst criminal,
I should have learned this before,
Before the light was gone.

With tears in my eyes, and hope in my heart
Walking home.

I tried to run away,
Run away and never look back,
I'm still not strong enough.

I tried to fly away,
Fly away, as far as I can,
But they're still behind my back.

I tried to run away...
I'm not strong enough...
I tried to run away...
I'm not strong enough...
