# I Walk Alone

## Kiss

I know deep inside of me
There's a place but it's not plain to see
I belong where no on else can be
I'm searching for myself again
And here I'm all alone and when
I close my eyes and no one else can see
I walk alone, can't you see?
I don't belong, let me be
Everything I've dreamed of being is me
And I've got myself to lean on
I've got both my feet on the ground
And you don't know me and I don't know me
I can't see you, you can't see me
Close my eyes and leave the world behind
So I got no heart and I got no home
I got no somewhere I belong
And I don't know if everything is just fine
I walk alone, can't you see?
I don't belong, let me be
Everything I've dreamed of being
And I don't belong, can't you see?
I walk alone, let me be
Everything I've dreamed of being is me
And I've got myself to lean on
I've got both my feet on the ground
So I got no heart and I got no home
And I got no somewhere I belong
But I don't know if everything is just
And I've got myself to lean on
I've got both my feet on the ground
And I've got myself to lean on
And I've got both my feet on the ground
'Cause I know deep inside of me
There's a place but it's not plain to see
Where I belong where no one else can be
And I'm searching for myself again
And here I'm all alone and when
I close my eyes and no on else can see
