Hymnals (RAC Mix)

Grizfolk

We're high and dry from the spark
So we hide and lie and we hope to lose controlAnd we don't know what we're waiting for
And we don't know the truth anymore
And we can't see clearly through the fog
And we'll end up chasing ghostsOutside these walls we're criminals
They chase us down, we're singing hymnalsWe tried so hard to cope
We fell so many times, we learned to climb without a ropeAnd we don't know what we're waiting for
And we don't know the truth anymore
And we can't see clearly through the fog
And we'll end up chasing ghostsOutside these walls we're criminals
They chase us down, we're singing hymnalsIf somebody told me this was a calling I wouldn't hang it up to dry
If somebody told me I shouldn't be stalling I wouldn't feed the world a lieOutside these walls we're criminals
They chase us down, we're singing hymnals
