

# Hymnals (RAC Mix)

## Grizfolk

We're high and dry from the spark  
So we hide and lie and we hope to lose control And we don't know what we're waiting for  
And we don't know the truth anymore  
And we can't see clearly through the fog  
And we'll end up chasing ghosts Outside these walls we're criminals  
They chase us down, we're singing hymnals We tried so hard to cope  
We fell so many times, we learned to climb without a rope And we don't know what we're waiting for  
And we don't know the truth anymore  
And we can't see clearly through the fog  
And we'll end up chasing ghosts Outside these walls we're criminals  
They chase us down, we're singing hymnals If somebody told me this was a calling I wouldn't hang it up to dry  
If somebody told me I shouldn't be stalling I wouldn't feed the world a lie Outside these walls we're criminals  
They chase us down, we're singing hymnals
