Realms of Light

Rhapsody of Fire

One day a king will rise with the sun
Born into darkness on this silent shore
He will remember the cold and the shame
He prays for salvation in this sea of flamesKing, rise, die, criesHe's just one lost soul, he cries forFading memories
From realms of light
Eternal mystery
When knowledge was confined
He sees this world with a different light
Feeling the rage and it's all been a lie
He will remember the dark and the pain
With eyes of a stranger he will stand so breveKing, rise, die, criesNow his mind is free, he cries forFading memories
From realms of light
Eternal mystery
When knowledge was confinedNow his mind is free, he cries for
Fading memories
From realms of light
Eternal mystery
From dreams revealed in
Fading memories
From realms of light
Eternal mystery
When knowledge was confined
A king
Will rise
