

From the Heart (feat. Billy Idol)

Generation X

I know you've heard these things before
You get the same reply
But all these things are really new to me
So I'm asking why? But isn't it the truth you wanna hear
Not lies and jealousy? From the heart, I can tell no lies
From the heart, I can tell no lies, lies, lies I just want to give the feeling
Rock 'n' roll gave to me
And to say what I believe in
In honesty But isn't it the truth you wanna hear
Not lies and jealousy? From the heart, I can tell no lies
From the heart, I can tell no lies, lies, lies Like Lennon said for me
Well, I believed in Ray and Keef
Alright Townshend said for me
A rock 'n' roll made me free From the heart, from the heart
From the heart, rock 'n' roll made me free
From the heart from the heart
From the heart, no lies
