

# Fortress

## Sick of It All

These arms are your fortress  
Till I'm old and grey and yours become mine  
My arms are your fortress  
Cross my heart, it will never die

Life is hard with all its struggle and strife  
If you're not with me then you're on my mind  
Tell me anything you want, I will never judge  
When your world goes wrong  
These arms are your fortress

Surrounding you are these assuring walls  
Understanding, protection and love  
From the lowest low to the very highest high  
We'll be on your side, on your side  
We're your stronghold, fortified  
When your world goes wrong  
These walls will never fall!
