

# Be Tender With Me Baby

**Tina Turner**

You've got the right to tell me, it's all over  
It isn't like me to be begging you  
Don't let go, don't let go  
Just stay with me another day When I'm not myself, please understand me  
I'm so confused I don't know what to do  
But don't give up, don't give up  
It just may take a little time Be tender with me baby  
I'm so afraid you'll go away  
Be tender with me baby  
Always, for always I know that you've been patient with my weakness  
And that you hate to see me cry  
But I know, yes I know it doesn't have to be this way  
But I'm so lonely I could die Be tender with me baby  
I'm so afraid you'll go away  
Be tender with me baby  
Always, for always Why does my heart keep on haunting?  
Why do I feel like I do?  
I hope you see this is not really me  
This is just a phase that I'm goin' through But be tender with me baby [Incomprehensible] be tender with me baby  
'Cause I'm so afraid you'll go away  
Be tender with me baby  
For always, always Ooo baby  
Be tender with me baby  
I'm so afraid you'll go away  
Be tender with me baby  
Always, for always, always
