

You're The One

YOHIO

Waking up at 6AM
Now it's time again
I don't wanna go
Leave you here alone in my bed
Oh, oh
But I know when I get home
You will still be there
I just can't believe
That it's you and me finally (you and me finally)
'Cause when all our days are past
She will be my first and last
Even though she is real
She's my dream Miracles are hard to understand
When I see you smile and take my hand
You're the one
Oh, oh
You're the one
Oh, oh, oh
Everytime I see you smile at me
Everytime you kiss me
I can't breathe
You're the one
Oh, oh
You're the one
Oh, oh, oh, oh Oh, oh, oh, oh, oh, oh, oh, oh, oh All these years have gone so fast
Now you're mine at last
I won't let you go
Baby you're my heart and my soul
I know we started out as friends
Now we just can't pretend
I just can't believe
That even though I'm blind I could see
Even if we're far apart
I still feel you in my heart
Like the sun, like the stars
We will shine Miracles are hard to understand
when I see you smile and take my hand
You're the one
Oh, oh

You're the one
Oh, oh, oh
Everytime I see you smile at me
Everytime you kiss me
I can't breathe
You're the one
Oh, oh
You're the one
Oh, oh, oh And even if we're far apart
I still feel you in my heart
Oh, oh, oh Miracles are hard to understand
when I see you smile and take my hand
You're the one
Oh, oh
Everytime I see you smile at me
Everytime you kiss me
I can't breathe
You're the one
Oh, oh
You're the one
Oh, oh, oh Everytime I see your smile
You're the one
Oh, oh
You're the one
Oh, oh, oh
Everytime I look at you
You're the one
Oh, oh
You're The One
