

# I Wanna Love You Once Again

[Ryan Paris](#)

I wanna love you once again, I'm gonna love you day by day  
I wanna love you once again, we're going to dance the night away

So long time in my heart, there was something now I can say  
It was you I trusted walking through my rainy days  
If I hurt you baby let you know didn't mean this way,  
please help me come here to stay

I wanna love you once again, I'm gonna love you day by day  
I wanna love you once again, we're going to dance the night away

I want you, I need you, babe you're always on my mind  
I miss you while you're not here, I don't know the reason why  
I see you everywhere I go there's a little sign,  
remind me you always shine

I wanna love you once again, I'm gonna love you day by day  
I wanna love you once again, we're going to dance the night away
