

Like a River

Kasey Chambers

Sometimes you walk like an angel
Sometimes you walk like a man
Sometimes you crawl like a baby
Makes me forget who I am Have you ever been held before
Like honey to the bee
I've never been held before
Like you hold me You make me feel like a river
Like a water overflow
Wanna shout it out from the mountain
Wanna sing it on the radio
I'll sell my soul like a sinner
If it means you'll never go I think the sun is finally risin'
It's burnin' down because I miss you
I'm gonna walk right through the fire
'Cos all I wanna do is kiss you Rain falls
Won't wash this away
I'll build a stonewall
To make you stay You make me feel like a river
Like a water overflow
Wanna shout it out from the mountain
Wanna sing it on the radio
I'll sell my soul like a sinner
If it means you'll never go Yeah you make me feel like a river
Like a water overflow
Wanna shout it out from the mountain
Wanna sing it on the radio
I'll sell my soul like a sinner
If it means you'll never go
Never go
Never go
