

# Hold It Up to the Light

## Smalltown Poets

It's the choice of a lifetime I'm almost sure  
I will not live my life in between anymore  
If I can't be for certain of all that's in store  
This far it feels so rightI will hold it up, hold it up to the light  
Hold it up to the lightThe search for my future has brought me here  
This is more than I'd hoped for but sometimes I fear  
That the choice I was made for will someday appear  
And I'll be too late for that flightSo I hold it up, hold it up to the light  
Hold it up to the light, hold it up to the lightI said, "God, will You bless this decision?  
I'm scared, is my life at stake?  
But I know if You gave me a vision  
Would I never have reason to use my faith?"Now as soon as I'm moving, my choice is good  
This way comes through right where I prayed that it would  
If I keep my eyes open and look where I should  
Somehow all of the signs are in sight, if I hold it up to the lightIt's too late to be stopped at the crossroads  
Each life here, each possible way  
But wait and they all will be lost roads  
Each path's growing shorter the longer I stayI was dead with deciding, afraid to choose  
I was mourning the loss of the choices I'd lose  
But there's no choice at all if I don't make my move  
And trust that the timing is rightI will hold it up, hold it up to the light  
Hold it up to the light, hold it up to the lightI will hold it up, hold it up to the light  
Hold it up to the light, hold it up to the lightHold it up to the light, hold it up to the light  
Hold it up to the light
