

Crazy Cat

Helloween

My little crazy cat
Took a train to meet his gang downtown, yeah
They played Black Jack
Fritz played his false game too far, ooh
A guy got up and started a gunfightHe's looking for trouble day by day
(For trouble, day by day)
Don't waste time, cute runaway
(You cute runaway)
He kept being taken by surprise
My stray cat in townAddicted to chicks
He's got a rental tree near the nudist beach, yeah
Oh watch out!
Booze and ladies are his fate, ooh
Too much sex and food and Rock 'n' RollHe's looking for trouble day by day
