

# Too Old To Die Young (AKA Dege Legg)

## Brother Dege

Round and round  
Round we go.  
Where it stops?  
Nobody knows it.Side to side, baby,  
Back and forth.  
God above  
And the devil below him.You got your reasons  
And I got my wants.  
Still got that feeling  
But I'm too old to die young now.Too old to die young now.  
Above or below the ground.Yes, too old to die young now.  
Still the good lord might lay me down.Round and round  
Round we go.  
Where it stops?  
Nobody knows it.Side to side, baby,  
Down in m' hole.  
God above  
And the devil below him.You got your reasons  
And I got my wants.  
Still got that feeling  
But I'm too old to die young now.Too old to die young now.  
Above or below the ground.Yes, too old to die young now.  
Still the good lord might lay me down.To lay me down.  
T-t-t-to die young now.  
Too old to die young now.  
Above or below the ground.  
Still the good lord might lay me down.
