

Someone Will Notice

Little Scream

Sometimes they are cruel,
and by that I mean all the time
but you can't even speak,
you dont even know how,
you cant open your mouth
"what, is it? the way that I walk?" she says
I know I've done some things wrong
but i know i can change,
and i know i can stay if i can find someone to love me.
Go ahead, and put that black around your eyes,
Maybe someone will notice
I know that I'd like to stay
because eveything touches me so deeply
There are memories i wanna burn,
What happens to the ones that i'd like to keep?
If could count all the things I saw
(???)all the colors, gold and green
lined up inside of a museum
what if my best memories are a dream?
do I get to keep them?Go ahead, and put that black around your eyes
Maybe someone will notice
Go ahead, and put that black around your eyes
Maybe someone will notice
Go ahead, and put that black around your eyes
Maybe someone will notice
(Go...)
(Go...)
