No Eyes (feat. JAW)

Claptone

It's a lonely night
Everybody's happy
Been turning around
Looking for a friendly light
But I see nothing
No eyes, no eyes on meSo many maybes
So many ways
So many ladies
So many menIt's a lonely night
Everybody's happy
Been turning around
Looking for a friendly light
But I see nothing
No eyes
No eyes, no eyes on me (no eyes on me.)No eyesSo many maybes
So many ways
So many ladies
So many menIt's a lonely night
Everybody's happy
Been turning around
Looking for a friendly light
But I see nothing
No eyes, no eyes on me
No eyes on meNear meCan you see me lying?
Can you see why I ?
Can you feel me thinking?
Would you save me if I failI would love to love you
I would love to be your man
But in loneliness, please leave meNo eyes
No eyes (no eyes)
No eyes
No eyes on meSo many maybes
So many ways
So many ladies
So many menIt's a lonely night
Everybody's happy
Been turning around
Looking for a friendly light
But I see nothing

No eyes, no eyes on
