

# Some kind of Love song

## Freak Kitchen

This is some kind of love song  
I can't find the words, I was born wrong  
Girl, I've been trying for so long  
This is some kind of love song  
I'd like to kiss you, but I'm much too shy  
My lips ain't working, no matter how I try  
I'd like to whisper sweet words in your ear  
But when I'm trying you pretend you don't hear  
You say I have to play unplugged  
Just like they do on MTV  
Well, I got six strings on my guitar, girl  
But I need electricity  
This is some kind of love song  
I can't find the words, I was born wrong  
Girl, I've been trying for so long  
This is some kind of love song  
Rented a limo to pick you up from work  
But you didn't see me, I felt like a jerk  
I bought you flowers so you would be impressed  
Then you're allergic, well, I should have guessed  
Then I made dinner to surprise you  
But when you got here you already ate  
Then I invited you to the movie  
My car freaked out, and I was late  
De Niro had to wait...  
This is some kind of love song  
I can't find the words, I was born wrong  
Girl, I've been trying for so long  
This is some kind of love song
