

# Need Your Love

**Dave Barnes**

Southern wind blows  
Through my window  
Sunset's pullin' down the stars  
I am tracing  
This trail of moonlight  
Til I'm back to where you are I need your love  
I need your love I remember  
Our beginning  
You smiling in the sand  
You're no different  
But always changin'  
Oh, I'll never understand I need your love  
I need your love  
I need your love  
Oh, I need your love Oo, you're the blood that keeps my heart beating  
Oo, you're my summer sky  
Oo, you're my silver lining every time I need your love  
I need your love  
I need your love  
I need your love  
I need your love  
Oh, I need your love  
Oh, I need your love
