

# Smile (Sonrie)

## Il Volo

Smile when your heart is aching  
Smile even though it's breaking  
When there are clouds in the sky  
You'll get by  
If you smile through your fear and sorrows  
Smile and maybe tomorrow  
You see the sun come shining through for you  
Light up your face with gladness  
Hide any trace of sadness  
Although our tears be ever so near  
That's the time you must keep on trying  
Smile, what's the use of crying  
You'll find life is still worth while  
If you just smile

Smile though your heart is aching  
Smile even though it's breaking  
When there are clouds in the sky  
You'll get by  
That's the time you must keep on trying  
Smile, what's the use of crying  
You'll find life is still worth while  
If you smile

When there are clouds in the sky  
You'll get by

If you smile, smile  
You'll find that life is still worth while  
If you just smile

You'll find that life is still worth while  
If you just smile
