

# I Wanna Get Sick

## Suicidal Tendencies

[Muit, Pleasants, Clark] I hurt myself so I can heal myself

I wanna get sick

I hate myself so I can love myself

I wanna get sick I, I wanna release, I wanna get ill,

I wanna get sick

I, I wanna go off, I wanna get ill

I wanna get sick I feel my best when I am at worst

I wanna get sick

I fight myself to make peace with myself

I wanna get sick I, I wanna go off, I wanna get ill

I wanna get sick

Sick sick sick bbb get sick, ya get sick I confuse myself to understand myself

I wanna get sick

I punish myself to replenish myself

I wanna get sick I, I wanna release, I wanna get ill,

I wanna get sick

I, I wanna go off, I wanna get ill

I wanna get sick

Get sick get sick get sick
