Castaway

Brett Eldredge

I tried to fly but I ran out of sky
And fell straight down into the ocean
Then I rode a wave back to shore
And I stayed for a whileWhy do I always try
To run away from you?
Please, don't say
A castaway
Is what I was born to do
I guess I'll always be
Lost without youIf I got smart, I'd trade my wings for your heart
And I'd promise to never chase the wind
I look up at the moon, but all I see is you
And I'm reminded, I need your love againWhy do I always try
To run away from you?
Please, don't say
A castaway
Is what I was born to do
I guess I'll always be
Lost without youI'd be naive
To ever think
You're at your door waiting for meOh, oh, oh, oh
Oh, oh, oh, ohSo why do I always try
To run away from you?
Please, don't say
A castaway
Is what I was born to do
I guess I'll always be
Lost without you
