

Autopsy Song

Otep

Open wide, look inside, open wide, look inside
My autopsy I feel like a woman
I feel like I care
I feel like I shouldn't
I feel like a child or despair I feel like it's over
I feel like it's coming after me
I feel like it's closer
I feel like this is all I'll ever be I feel like a failure
I feel like a hungry parasite
I feel like a razor
I feel like a prayer lost in flight
I feel like I'm hopeless I'm afraid I'm a slave, I'm weak an' average
I'm afraid I'm a slave, I'm weak an' average I feel like a hammer
I feel like a nail
I feel like I'm guilty
I feel like the wrist that it impales I feel like a butcher
I feel like I'm being deceived
I feel like a beautiful loser
I feel like all you sheep are laughing at me Open wide, look inside, at my autopsy
My autopsy I feel like complete waste of time
I feel like transparent
I feel like I can't escape my mind
