

# Redline (Live At the Ritz)

## D.R.I.

Way past overdrive  
Full on redline  
No easing up  
Your life's flying by Pushing and passing yourself  
You've just passed  
First over the finish  
You still come in last Face turning to stone  
Your eyes owl wide  
No easing up  
More speed is your high Look and feel twice your age  
Grinding in your silent rage  
Dying at twice the speed  
Yet not enough to quench your need Redline, foot to the floor  
Redline, slow paced is a bore  
Redline, yourself you've just passed  
Redline, you still come in last Redline, foot to the floor  
Redline, slow paced is a bore  
Redline, yourself you've just passed  
Redline, you still come in last
