In This House

Duawne Starling

We come to praise you
And celebrate you
We clap our hands
We sing and dance
We love to love you
And we live to bless you
We lift our voice
And one thing more
Chorus:
Of all the things we do
To serve and honor you
We worship in this house X2
Of all the things we do
To show our love for you
We worship in this house X2
Verse 2:
We bow in reverence
Before your presence
Cause we understand
Youâ€™re not like man
We testify and lift You high
We set the stage to give you praise
Chorus:
Of all the things we do
To serve and honor you
We worship in this house X2
Of all the things we do
To show our love for you
We worship in this house X2
Of all the things we do
To serve and honor you
We worship in this house X2
Of all the things we do
To show our love is true
We worship in this house X2
Revamp:
We worship, We worship
We worship in this house X2
Repeat All

Chorus:
Of all the things we do
To serve and honor you
We worship in this house X2
Of all the things we do
To show our love for you
We worship
We worship
We worship
