

When a Child is Born

[Connie Talbot](#)

A ray of hope flickers in the sky
A tiny star lights up way up high
All across the land dawns a brand new morn
This comes to pass when a child is born A silent wish sails the seven seas
The winds of change whisper in the trees
And the walls of doubt crumble tossed and torn
This comes to pass when a child is born A rosy hue settles all around
You start to feel you're on solid ground
For a spell or two no one seems forlorn
This comes to pass when a child is born It's all a dream, an illusion now
It must come true, sometime soon somehow
All across the land dawns a brand new morn
This comes to pass when a child is born
When a child is born
