Skinwalkers

Orion Rigel Dommisse

Your choking on all your regrets
It's my last call and its just getting harder
Before you end this all
Reaches out for something more

Time makes it hard to breathe
We'll I'll live to see another day
And I'll stay strong
And you said this morning I would break

And I won't break

Let me go until you know
If it's coming after all
And they will never catch me

Time makes it hard to breathe
But I'll live to see another day
And I'll stay strong
And you said this morning I would break

I will break, I will break
Cos you said this morning I would break

There's places I have been, no one should ever go
There's things that I have seen, no one should ever know
There's places I have been, no one should ever go
There's things that I have done, no one should ever know

So where do we run, and how do we trust?
When the walls are closing in
And where do you turn, and who do you trust?
When the walls are closing in
Closing in

No
This isn't the end
