Green Eyes

WATERS

You used to be my everything
What happened to the way you felt that summer?
When we did the cannonball
And I saw you smiling under, water
We got torn up to bits, over and over
We got caught up in this, in this thread of doubtin'
Woman, green eyes
You know Im right
Is this too late, has this gone too far?
You look bored when I look you in the, eyes
And everything just fades to a blur
When I touch you I feel like a, liar
We got torn up to bits over and over
We got caught up in this thread of, doubtin'
Woman, green eyes
you know Im right
Lying on your bed,
Just to fall again
To the one we left
Woman, green eyes
You know I'm right
Woman, green eyes
You know I'm right
