

Are You There (With Another Girl)

[Dionne Warwick](#)

I hear the music coming out of your radio
Are you there with another girl instead of me
I hear your laughter and there's something I've got to know
Are you there with another girl instead of me Well, I'm standing on your doorstep and I don't know what to do
Should I ring your doorbell or just walk away
My friends all say that you were never true
Hiding in the shadows I see two silhouettes in the back of your window shade
Are you there with another girl when I am gone
I can't believe you'd break the promises that you made
If you're there with another girl, I can't go on Oh, I only know I love you and I couldn't say goodbye
So if there's another, I don't want to know
If you should go, oh, I would surely die
Love requires faith, I've got a lot of faith but
I hear the music comin' out of your radio
