

Its 4 U

Short Stack

You're just a girl,
Just one of my accomplishments,
Another girl,
It's hard because I didn't mean for this(So come on)Let me stay with you
For a while for a day or maybe two
I can lay with you
See your smile never follow through
And we'll goStraight from "OH-OHS" to "WOAH-OHS"
From goodbye calls to overdose
I write your name in bullets
So your the last thing through my head
(It's for you)
Lovers become us luscious (red)I'm just a boy, it's hard because I live in some past tense,
Another boy,
But I'm glad it's safe for you and now it's safe for me
(So come on)Let me stay with you
For a while for a day or maybe two
I can lay with you
See your smile never follow through
And we'll goStraight from "OH-OHS" to "WOAH-OHS"
From goodbye calls to overdose
I write your name in bullets
So your the last thing through my head
(It's for you)
Lovers become us luscious (red)It's 4 U it's 4 U
Lovers become us lucious red
