

5 Deep on Charlie

The Tony Danza Tapdance Extravaganza

This
This has opened my eyes
Pushed now far away
Remains the same
Love persisted
Crazed thoughts away
Time shows all ways
This
Bring me
Bring me forth I
I show this lean
To watch alone
And find you
This place shows light
Judge not less you will be
I walk this path
Bring me
I walk this path
I show this lead
